

A Series A735

A slim-line, entry-level digital camera that's big on features.

The GE A735 offers a combination that's hard to beat ... a big list of advanced features ... a stylish, slim body ... and an entry-level price point.

A simple, intuitive user interface makes the A735 easy to use right out of the box, with a comprehensive 3x optical zoom, 4.5x digital zoom, 13.5x combined zoom, plus a 2.5" LCD screen that makes it easy to frame your subject and review your images. Packed inside with its sleek and stylish camera body design, the A735 is not just any ordinary entry-level camera; it features the latest GE 25mm slim body styling, a user-friendly mode dial and a navigation pad that makes operation fun and easy.

The GE A735 comes with a host of advanced features as standard, including: In-Camera Panorama Stitching, Smile Detection, Blink Detection, Face Detection, Electronic Image Stabilization and Red-Eye Removal. Up to 150 shots can be taken on a standard pair of AA batteries. The A735 uses Motion JPEG movie recording and even has an SD/SDHC memory card slot expandable up to an amazing four gigabytes.

If you're looking for an entry-level camera that's big on features and big on value, but comes in a slim, trim body, look no further than the GE A735.
